

## REMARKS

Claims 1-3, 5, 8-10, 14, and 19-24 are finally rejected under 35 U.S.C. §103(a) as being unpatentable over U.S. Patent No. 4,858,154, in view of U.S. Patent No. 6,512,986.

From the Advisory Action of 9/28/2005, applicants understand this rejection to be withdrawn.

Claims 1, 19, and 20 are provisionally rejected under the judicially created doctrine of obvious-type double patenting. Applicants submit herewith an appropriate terminal disclaimer. In view thereof, applicants respectfully request the Examiner withdraw this rejection.

As applicants have traversed each rejection and objection raised by the Examiner, it is respectfully requested that the Examiner withdraw the stated rejections and objections, allow claims 1-3, 5, 8-10, 14, and 19-24, and pass the present application on to issuance. A fee in the amount of \$125.00 is provided herewith for a one month extension of time and terminal disclaimer fee. In the event an additional fee is due, please charge our Deposit Order Account No. 50-3381.

Respectfully submitted,
